(additional charges apply for removing mineral build up on the tiles)

Service Includes the Following Chemicals:

- Chlorine, Acid, Soda Ash, D.E.

Service Charges and Information:

- Monthly Service fee is \$_____ per month.
- Water Conditioning charge is \$65.00 per year and is billed in the Fall.
(Water Conditioning is used to maintain the chemical balance in your pool/spa)
- Algaecide charge is \$65.00 per year and is billed in the Spring.
(Algaecide is and algae kill program that is essential to the health of your pool/spa)
- Filter Cleanings are \$80.00 and are billed every six months in the Summer and Winter.
(Filter is disassembled, sanitized and thoroughly inspected)
- Additional charges apply for Chlorine Generator (Salt) Systems – *Prices Vary.*
- Vacations are taken four weeks per year. Two of the weeks are floating and the other two weeks are taken at Christmas and Thanksgiving. Vacations are offset by the 5 months out of the year that have five weeks of service with no extra charge.
- Pool/Spa service is limited during stormy days and severely windy days.
- It is the Homeowners responsibility to maintain appropriate water levels in the pool/spa at all times
- Invoices are due on receipt. A 5% late fee will be applied to invoices over 30 days past due.
