

3-Year Extended Limited Warranty

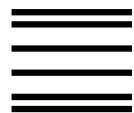

Added Protection for  
**System Buyers**

The products of Pentair Water Pool and Spa® are warranted to be free from defects in materials and/or workmanship. The 3-Year Extended Limited Warranty for inground systems begins on the date of equipment installation and applies to inground pumps, filters, heaters, heat pumps, automated controls, cleaners, and colored lights, purchased and installed in the United States.

O-rings, cartridge elements, D.E. grids and cartridges, external valves, pressure gauges, pump seals, light bulbs, cleaner hoses, bags, tires, footpads, bumper straps and cleaner seals are covered by a one-year warranty. They will be repaired or replaced if the defect is proven to be the responsibility of Pentair Water Pool and Spa.

Pentair Water Pool and Spa warranties extend to the original consumer purchaser only and are not transferable.

This warranty extension is void where prohibited.

# Extra Investment Protection for New, Residential Inground Pool Installations

Invest in superior equipment and receive a superior 3-year Extended Systems Warranty. Pentair Water Pool and Spa® offers you the best warranty in the business.

This additional coverage applies to purchases and installations of inground systems including...a **minimum** of a pump, filter, and one or more of the following: heater, heat pump, automatic pool cleaner, automated control system, or color lighting.

## More coverage for greater peace of mind:

**Pumps:** An extension from one year to three years limited warranty on all parts, excluding seals and O-rings, which are covered for one year. The pump motor is covered for three years. (Excludes *Dynamo*® and *OptiFlo*® pumps. See their individual warranties for coverage.)

**Filters:** An extension from one year to three years limited warranty on all parts, excluding cartridge filter elements, D.E. grids and cartridges, external valves, pressure gauges, seals and O-rings, which are covered for one year.

**Heaters:** An extension from two years to three years limited warranty on all parts, excluding burner trays, cabinets and heat exchangers.

**Heat Pumps:** An extension from two years to three years on all parts. 10-year limited compressor parts and labor warranty and lifetime titanium heat exchanger warranty.

**Automated Controls:** An extension from one year to three years limited warranty on both indoor and outdoor control panels.

**Automatic Cleaners:** An extension from one year to three years limited warranty, excluding cleaner hoses, bags, tires, footpads, bumper straps and cleaner seals.

**Color Lighting:** An extension from one year to three years limited warranty on color lighting products, excluding light bulbs, which are covered for 90 days.

This warranty extends to the original consumer purchaser only and is not transferable. This warranty extension is void where prohibited.

## How to register to qualify for this special protection

Complete and send in the attached warranty card or visit [www.pentairpool.com](http://www.pentairpool.com) and complete your registration information online.

In order to qualify you must register with complete and accurate information at the time of installation. Although all Pentair products are backed by individual warranties, you do not need to return individual product warranty cards in addition to this extended warranty registration form.

Please keep your original bill of sale as proof of purchase. Please print clearly.
